

THE CAPITAL ALLOWANCES PARTNERSHIP LIMITED

CREDENTIALS

The Capital Allowances Partnership Limited brings together accounting, tax and surveying professionals, to provide a full range of specialist capital allowances services, from claim preparation to tailored tax planning and expert opinions. Our Directors have between us more than fifty years of specialising in capital allowances.

We have diverse industry experience, including particular strengths in:

- Investment property (offices; shopping centres, industrial etc.);
- Hospitality and leisure (pubs; hotels; restaurants and nightclubs etc.);
- Healthcare (care homes; private hospitals; doctors', dentists' and vets' surgeries etc.);
- Motor trade (dealer showrooms and petrol stations) and;
- R&D facilities

We work for a wide range of clients, both in the UK and overseas, from entrepreneurial family-run and owner-managed businesses through to leading quoted companies.

In addition to our client work, we are the authors or co-authors of the leading publications on capital allowances referred to by other tax advisers. These include Bloomsbury Professional's 'Capital Allowances: Transactions & Planning', Tolley's 'Tax Planning', and many others. We also write for leading periodicals such as The Tax Journal, and lecture regularly on the subject of capital allowances.
